HCYO Dress hire

The blue CYO concert dresses are hired out by the Friends of HCYO at the fee rate set out below, which is dependent on your current academic year. We have a range of lengths and sizes to suit all.

Dresses are collected from leavers at the end of their last term. If you leave mid-year, then please contact friends.of.HCYO@gmail.com to arrange the return of the dress.

We politely request **payment in advance** of taking a dress home with you please. Payment information is below. We do not release dresses before payment has been received (although we can reserve one for you pending payment). We also require a parent/ carer email which we can use to contact you regarding the dress if required. (*Continued overleaf*)
